Action 1 Measure 1.1 – Town Twinning Citizens' Meetings

Page 38, the section "Calculation of grants" of Action 1 Measure 1.1 "Town twinning citizens' meetings" is replaced by:

The grant is calculated on the basis of flat-rate financing. Flat-rate financing will be used to cover all costs relating to the meetings, i.e. costs of preparation, organisation, accommodation of the participants and travel expenses. The daily rates for different countries as well as distance calculation, previously used for calculation of the grant, are cancelled. The new flat rate system is exclusively based on number of invited participants (fixed per "tranches") and number of days. The same parameters are valid for all participating to programme countries.

FLAT RATES applying under the Measure 1.1 "Town Twinning Citizens Meetings"

Number of participants	Number of days ≤10	Number of days >10
>190	€25 000	€25 000
176/190	€25 000	
161/175	€23 000	
146/160	€21 000	
131/145	€19 000	
116/130	€17 000	
101/115	€15 000	
86/100	€13 000	€23 000
71/85	€11 000	€19 000
56/70	€9 000	€15 000
41/55	€7 000	€11 000
25/40	€5 000	€7 000

In terms of an EXAMPLE: if the number of invited participants falls under the "tranche" 25/40 (i.e. number of participants is between 25 and 40 persons) and the meeting lasts 10 days or less, the eligible grant to be requested is of €5 000. If the number of invited participants falls under the same "tranche" (25/40 participants) but the meeting lasts more than 10 days the eligible grant to be requested is of €7 000.
